RE: LICENSURE/ASSIGNMENT COMPLIANCE

This letter is to inform you that your district is discrepancy-free regarding licensure/assignment compliance.

We would like to thank all district and school personnel who have worked hard to ensure accurate reporting and for taking the necessary steps to comply with state requirements. Our monitoring efforts are intended to assist districts and charter schools in their staffing efforts to comply with licensure rules, and thereby also providing assurance to parents and community members that appropriately licensed personnel are serving in our Minnesota schools.

Thanks again and have a great rest of the school year.
