

Science Explorers! Creative Minds!

Budding Engineers!

Seven Hills Classical Academy and Beacon Preparatory School are pleased to announce their 2nd Annual Science Fair on Thursday, April 8th, 2010.

If you like to get your hands dirty by experimenting and question how things work, this project is for you!

Here are the details:

- Registration Deadline: Friday, Feb 19th
- Project Idea to be approved by Science Fair Committee: Friday, March 5th
- Science Fair Project Due: Thursday, April 8.
- Entry Fee: \$3.00*

Students will be provided with SEVEN PREP steps to a successful Science Fair Project after their project has been approved by the Science Fair Committee. You will be given clear guidelines and deadlines. Your mission is to create, produce, research and present a project that represents your very best effort. To participate, please return your signed permission slip with entry fee to school no later than Friday, Feb. 19th, 2010.

**100% of the registration fees go directly toward prizes for the winners in each category.*

Science Fair Participation Permission Slip

I, _____, would like to participate in Seven Hills and Beacon Prep's Science Fair, to be held on Thursday, April 8th. My \$3.00 entry fee is enclosed. (Maximum of \$6.00 fee per family)

Student Signature _____

Parent Signature _____

Participation is voluntary for Seven Hills Students.

RULES:

One project may be submitted per student. Specific size limitations will be provided due to space constraints. Separate judging criteria for Kindergarten - 2nd grade, 3 - 5th grade, and 6th – 7th grade students. Students will compete against those in their same age group. Judges will be independent; none will be parents of students involved in the competition. This event is sponsored by Seven Hills and Beacon Prep Enrichment Committee.
